

# Primary Elementary Newsletter (Nov. 2016)

What we've been up to...

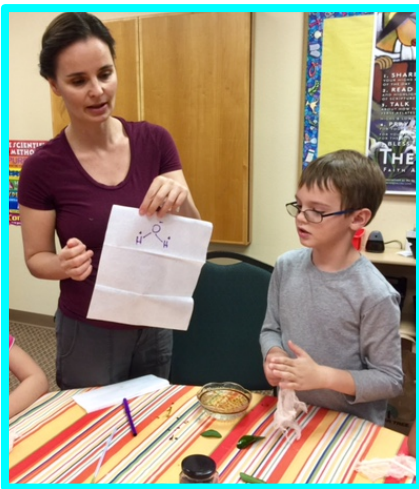

✓ class elections; A'ron, Lily, Gavin, and Alex chose to run for "school principal." Each candidate wrote campaign notes, made posters, and gave speeches to both our class and upper elementary. Ballots were cast and Alex was nominated as the next "school principal."

✓ We had a Thanksgiving feast featuring family heritage samples and a turkey craft!

✓ We experimented with oil and water, talked about oil spills in large bodies of water, and discussed possible ways of clearing the oil.

✓ buoyancy experiment

✓ bird beak experiment

✓ boat experiment
